

# Sacrificed

Aeon

Fires burned everywhere when I woke up  
I choked from the smell of burnt flesh  
Nauseatingly sights everywhere  
Bodies maimed head crushed  
Villagers that I known all my life  
Had their heads on poles by these men  
Children's screams and women's cries  
Echoed high before they died

Here I am sacrificed to your god  
Fear as I see my friends die in front of me

Being dragged from our homes blindfolded  
Unable to see anything  
Yet I hear my friends scream  
Cry for help scream in pain

Here I am sacrificed to your god  
Fear as I see my friends die in front of me  
Killed just to please a gods thirst for blood  
Here I am sacrificed

The sun is burning and the heat is draining my powers  
I feel the smell of death in the air it's the blood from my friends  
I know exactly what will happen to me, now I will die  
They force my head down on the altar  
As the knife cuts through my flesh I feel my body is shattered  
My soul is filled with hate for them now as I die

I slowly lose my consciousness  
It feels so weird and unreal  
Ear splitting screams from the crowd  
An endless crowd that watch us die  
But in a few more seconds I will be dead  
And I will feel no more pain  
My fear is losing and my hate is growing  
I hate them all I hate their god

Here I am sacrificed to your god  
Fear as I see my friends die in front of me  
Killed just to please a gods thirst for blood  
Here I am sacrificed

The sun is burning and the heat is draining my powers  
I feel the smell of death in the air it's the blood from my friends  
I know exactly what will happen to me, now I will die  
They force my head down on the altar

The priest is holding out his hand and in it is my heart  
This is the last thing I see now as I die

Sacrificed  
Sacrificed gutted out  
Sacrificed gutted out
