

# There Will Be No Heaven for Me

Aeon

So we meet again  
Face to face  
And still you try to turn me  
To Jehovah ways

You are brave to confront me again  
With your ten Jehovah men  
Still you bleed hard from our first meeting  
Are you here for another beating

There will be no  
There will be no heaven for me  
And your talk about paradise on earth  
Lies

So here you stand again with your men  
Screaming at my face  
That my life means nothing

This is my final warning  
Disrespect and you will bleed  
I know you know I will take revenge  
You will be hurt and bleed again

I have no respect for your kind  
Disturbing my peace with your shit  
Try and sell your religion to me  
Was one of your biggest mistakes

There will be no  
There will be no heaven for me  
And your talk about paradise on earth  
Lies

I believe in Satan and he believes in me  
Together we are as one to him I offering

Anything, everything and I know I will have my revenge on you doorknocker  
You will not escape  
You will never escape  
If you come here again  
I will bash your head against the wall  
Crush your head

So we meet again  
Face to face  
And still you try to turn me  
To Jehovah ways

You are brave to confront me again  
With your ten Jehovah men  
Still you bleed hard from our first meeting  
Are you here for another beating

I have no respect for your kind  
Disturbing my peace with your shit

Try and sell your religion to me  
Was one of your biggest mistakes

There will be no  
There will be no heaven for me  
And your talk about paradise on earth  
Lies
