Angel's Eye

Aerosmith

What ya gonna do when the angel's come Ya move on; can't move them I'm gonna get your kicks from the 911 It's moving; so soothing

Your passions deplete, it's just looking to feed Your own fantasy The blind side of you is a bad dream come true That you can't see

From an Angel's Eye Kiss Your Life Goodbye From An Angel's Eye Ain't no place to hide

Tell me what you see through an Angel's Eye The halo; on fire You never really know till it's do or die Your devil's desire

Your running in place like a rat in a race Going no where The evil you speaks from the tongue of the freaks So don't go there

From an Angel's Eye Kiss Your Life Goodbye From An Angel's Eye Ain't no place to hide

What ya gonna do when the angel's come What ya gonna do when you come undone I'm gonna get your kicks from the 911 Ya so bad; can't hold them

From an Angel's Eye Kiss your life goodbye From an angel angel angel's eye Ain't no place to hide

Fallen Angel Fallen Angel Fallen Angeeeeeeeeeeeeeeeeeeeeeeeeeeeeeee.
