Aerosmith

you gave up the love you got & that is fact  
she loves me now she loves you not and that where its at  
cause when you thought your love was deep

my minds made up ya i'm so sure because theres none so fine  
the thing you found your losing sleep its all about the love yo

yeahs shes beyond beautiful  
yeah she never been nobodys fool that she'd be stuck with  
yeah its all about me & you  
believe or not theres nothing we got  
thats beyond beautiful

full of lust  
full of love  
without no clue  
and though i was the one sure of  
and then came you  
into my life it served me right  
nobody ever did it quite like you

yeah she's beyond beautiful  
yeah she never been nobodys fool that you'd be stuck with  
yeah its all about me & you  
believe or not theres nothing we got  
thats beyond beautiful

yeah she's beyond beautiful  
yeah she never been nobodys fool that you'd be stuck with  
yeah its all about me & you  
believe or not yeah what we got  
its beyond beautiful
