

Blind Man

Aerosmith

I took a course in Hallelujah
I went to night school for the blues
I took some stuff they said would cool ya, heh hah
But nothing seemed to light my fuse

But it's all in the past like a check that's in the mail
She was a tall whiskey glass
I was an old hound dog that just loved to chase his tail

Until I met a blind man who taught me how to see, yeah
A blind man who could change night into day
And if-a I can, I'm gonna make you come with me, yeah
Cause a-here comes the sun and we'll be chasin' all the clouds away

Yeah yeah yeah yeah yeah yee yeah yeah
I've had some lovers like a joy ride

Some thing are never what they seem
My heaven's turned into a landslide
Thank God I woke up from that dream

I met a blind man who taught me how to see, yeah
Blind man who could change night into day
And if-a I can, I'm gonna make you come with me, yeah
Because a-here comes the sun and we'll be chasin' all the clouds away

So please chase harder and drink all the flowers dry
We'll be savin' us a little money
And if that doesn't do it, yeah, I know the reason why

Don't make no sense lightin' candles, ah
There's too much moonlight in your eyes

I met a blind man who taught me how to see, yeah
Blind man who could change night into day
And if-a I can, I'm gonna make you come with me, oh oh oh oh yeah

Because a-here comes the sun, ain't no surprise
Ain't no doubt about it, gonna open up my eyes
