

# Chiquita

Aerosmith

Ooooh, on the beach in Cartagena  
She, salty baby with the name  
Oh, chiquita  
No no, chiquita

She, takes me walkin' in de sunshine  
She, she'll be lovin' 'til de moon shine

Love chiquita  
Oh love chiquita

She, got the poppy eyed desire  
Tease, 'til the boys put out your fire

Love chiquita  
Oh, love chiquita

Oh, no, no, now don't you wake me up, I'm dreamin'  
No, no, no, if you shake me I'll be screamin'

Love chiquita  
Oh, love chiquita
