

Cry Me a River

Aerosmith

Now you say you're lonely
You cried the whole night through
Well you can cry me a river, cry me a river
I cried a river over you

Now you say you're sorry
For being so untrue
Well you can cry me a river, cry me a river
I cried a river over you

Now you say you're sorry
For being so untrue
Well you can cry me a river, cry me a river
I cried a river over you

You drove me in and drove me out of my head
While you never shed a tear
Remember, I remember all that you said
You told me love was to come in
This moment you was, you were...you were

Now you say you love me
Well, just to prove you do
Come on and cry me a river, cry me a river
I cried a river over you
I cried a river over you
I cried a river over...
(yah yah, yeah, yah yah, yeah...)
