

# Darkness

Aerosmith

Darkness, Darkness, hungry to the bone  
Darkness, Darkness, take my body home  
God, I'm in love, I'm in love  
I'm in love, I'm in love

She like a boo-k  
(It has to be book! It can't be pooka, what's that mean)  
She holy roller, love me like a song  
She like a lightning  
She roller coaster, 'til the break of dawn  
She like a shadow  
She all around me, nasty hearted dream  
She got the sexy  
She do it to me, wake me when I scream

God, I'm in love, I'm in love, I'm in love  
I'm in love, I'm in love, I'm in love  
Yak ak ak ak aw

Now I lay me down to sleep  
Goodnight  
Pray the Lord my soul will keep  
Tonight  
If I die before I wake  
In your arms, my love can't break away

Darkness (she like a shadow)  
Darkness (she all around me)  
Nasty hearted dream  
Darkness (she got the sexy)  
Darkness (she do it to me)  
Wake me when I scream  
God I'm in love, I'm in love, I'm in love  
I'm in love, I'm in love, I'm in love...oow
