

## Get a Grip

Aerosmith

Got to get a grip  
Skin and bones, it ain't such a pity  
If you think I'm vein, better shut ya lip  
I can't explain how to be fat city  
You gotta live large, gotta let it rip

Skin and bones, it ain't such a pity  
Don't cha gimme no flack, honey shut ya lip  
Ya gotta have stones if you're living in the city  
If ya wanna hang loose gotta get a grip rip

Once upon a crime I thought I was cool  
but I don't want to brag  
Once I crossed the line I think I musta  
zigged when I shoulda zagged

Got to get a grip  
Skin and bones, it ain't such a pity  
If you think I'm vein, better shut ya lip  
I can't explain how to be fat city  
You gotta live large, gotta let it rip

Same old same old every day  
if things don't change you're just gonna rot  
Cause if you do what you've always done  
you'll always get what you always got  
Uh could that be nothin'

Got to get a grip  
Skin and bones, it ain't such a pity  
If you think I'm vein, better shut ya lip  
I can't explain how to be fat city  
You gotta live large, gotta let it rip

Skin and bones, it ain't such a pity  
Don't cha gimme no flack, honey shut ya lip  
Ya gotta have stones if you're living in the city  
If ya wanna hang loose gotta get a grip, rip

Who knows for sure yeah without a doubt  
What goes on when the lights go out  
Or who pulls in when I pull out  
And what's a one eyed trouser trout?

I was so short sighted  
Now the wrong been righted  
I feel so delighted  
I get so excited  
Skin and bones, it ain't such a pity  
If you think I'm vein, better shut ya lip  
I can't explain how to be fat city  
You gotta live large, gotta let it rip

Skin and bones, it ain't such a pity  
Don't cha gimme no flack, honey shut ya lip  
Ya gotta have stones if you're living in the city  
If ya wanna hang loose gotta get a grip

You wanna get high in a New York minute  
Choke that smoke, honey crack the whip  
Your head gets dead, yea,  
As long as you're in it  
You wanna hang loose, gotta get a grip

Skin and bones, it ain't such a pity  
Don't cha gimme no flack, honey shut ya lip  
Ya gotta have stones if you're living in the city  
If ya wanna hang loose gotta get a grip
