

# Girls Of Summer

Aerosmith

1. When winter hush turns summer pink

In half the time it takes to blink  
But it all depends on what you think  
About the girls of summer  
When all you think of all day long

Is a pretty face inside a song  
With a thought like that you can't go wrong  
About the girls of summer

(N.C.)

Oh yeah... (Do you know what everybody's talkin' 'bout)

R: Some girls are all about it  
Some girls they love to let it fly  
Some girls can't live without it  
Some girls are born to make you cry  
Over & over again

2. My favorite thing that drives me wild

Is when a city girl walks a country mile  
For a boy she loves  
God bless the child inside the girls of summer

(N.C.)

Oh yeah... (Do you know what everybody's talkin' 'bout)

R:

Yeah... yeah... yeah... yeah... yeah

\*: They get you climbin' the walls  
They get you caught in their spell  
They get you speakin' in tongues

Could this be Heaven or Hell  
To fall in love twice a day  
Is such a sweet price to pay

S'il - vous - plait

3. The best things about life are free

The pussywillow up your tree  
To the one who climbs  
They'll always be the girl

Yeah...

R: Some girls are all about it  
Some girls they love to let it fly  
Some girls no doubt about it  
Some girls are born to make you cry  
Some girls can't live without it  
Some girls got twenty reasons why

Over & over & over & over & over...
