

## Light Inside

Aerosmith

ohhh yeah theres a place in no way outta sphere  
do ya I want burn the midnight oil  
does it fool ya when you think theres no way out of here  
let it fool ya saying as i do with ??

the light inside is burning bright  
the light makes everything all right  
the light inside is burning bright  
the light inside oh yeah all right

Lay yeah introduce you to my point of view  
me I want to get under your skin  
I want to find ya from the pleasures that I get from you  
I want to drag ya from the outside to within

the light inside is burning bright  
the light makes everything all right  
the light inside is burning bright  
the light inside oh yeah all right

the light inside is burning  
the light inside is burning  
the light inside is burning bright  
the light inside oh yeah all right  
the light inside is burning bright  
the light makes everything all right  
the light inside is burning bright  
the light inside oh yeah all right
