Livin' On The Edge

Aerosmith

There's something wrong with the world today I don't know what it is Something's wrong with our eyes We're seeing things in a different way And God knows it ain't His It sure ain't no surprise, yeah We're livin' on the edge Livin' on the edge Livin' on the edge Livin' on the edge

There's something wrong with the world today The light bulb's getting dim There's meltdown in the sky If you can judge a wise man By the color of his skin Then mister you're a better man than I, oh We're livin on the edge You can't help yourself from fallin' Livin' on the edge You can't help yourself at all Livin' on the edge You can't stop yourself from fallin' Livin' on the edge

Tell me what you think about your situation Complication - aggravation Is getting to you, yeah If chicken little tells you that the sky is fallin' And even if it wasn't would you still come crawlin' Back again? I bet you would my friend Again again again again again

Yeah, tell me what you think about your situation Complication - aggravation Is getting to you, yeah If chicken little tells you that the sky is fallin' And even if it wasn't would you still come crawlin' Back again? I bet you would my friend Again again again again Something right with the world today And everybody knows it's wrong But we can tell 'em no or we could let it go But I would rather be a hanging on

Livin' on the edge You can't help yourself from fallin' Livin' on the edge You can't help yourself at all Livin' on the edge You can't stop yourself from fallin' Livin' on the edge Livin' on the edge Livin' on the edge Livin' on the edge Yeah, yeah, yeah, yeah, yeah, yeah, yeah

Livin' on the edge You can't help yourself from fallin' Livin' on the edge You can't help yourself at all Livin' on the edge You can't stop yourself from fallin' Livin' on the edge Livin' on the edge You can't help yourself You can't help yourself Livin' on the edge You can't help yourself at all Livin' on the edge You can't help yourself You can't help yourself Livin' on the edge You can't help yourself You can't help yourself Livin' on the edge You can't help yourself from fallin' Livin' on the edge, yeah yeah...
