

# Out Go the Lights

Aerosmith

Some girls awfully risky  
And some girls kick in the stall  
But givin it up women and whiskey  
Yeah you ain't got nothing at all  
But a sign on the wall that hung on a tack  
Said liquor in the front and poker in the back  
And now no more la-onely nights  
A ya-ya baby till out goes the lights

If you wanna take a lookie cookie  
Tonight might be your lucky nighty night night

How to go dejaboody  
You're a yaya baby tonight  
Way to go thought you knew me  
Yeah but you're not getting it right  
But it's cool  
Too cool for cats  
A little bit of this and a little bit of that

A red hot maybe on a cold summer night  
A ya-ya baby till out goes the lights

If you wanna taste the cookie  
Lookie tonight might be your lucky

Roses are red, my lips on you  
But you couldn't tell by the things that we do  
Things that we see are so out of sight  
We'll have to see when we turn off the lights

Living in the lap of love (6x)

Living on coochie and romance  
Waiting on cupid to call  
Some people say that's living  
Yeah but that ain't living at all  
And it's cool, that's how I roll  
You'll get a little loving if you got a lot of soul

And it's for sure, when love's just right  
It's ya-ya baby when out goes the lights

If you want a little nookie  
Cookie tonight might be your lucky

Roses are red, my lips on you  
But you couldn't tell by the things that we do  
Things that we see are so out of sight  
We'll have to see when we turn off the light

Ooh-aa-oo yeah yeah...
