

Road Runner

Aerosmith

Well I'm a road runner honey... yeaaaaoooo yea

I'm a road runner honey
And you can't keep up with me
Well I'm a road runner lover
And you can't keep up with me
You got a green light baby
Baby baby you will see

Well... move over honey
Baby... let me by
Yeah move over honey
C'mon... let me by
I wanna show you baby... cheers...
Here's mud in yo eye
Welllll... eat my dust

Let's have a road runner wedding
And we gotta get it right
They'll be a road runner wedding
Yeah but it can't be white
Wedding bells tomorrow mornin'
And burn some rubber tonight... huh huh ha ha...

Well I'm a road runner honey... beep beep
Well I'm a road runner honey... beep beep
Yeah I'm a road runner honey... beep beep
Well I'm a road runner honey... beep beep
Well I'm a road... run... ner
Well I'm a road... run... ner
Well I'm a road runner
A road runner
A road runner
A road runner... honey
Yeeeeaaahhhh...
