Round and Round

if you believe in me like I believe in you you wouldn't be tellin' me things that weren't exactly true now everythin' changes ain't nothin' the same I'm gettin' the strangest feelin' baby I can't remember my name cause the life I been livin' and the love I been givin' would be sure to set you spinnin' but you ain't never touchin' ground and I'm round and round well it was one for all and it was all for one and everything that we did never bothered no one can you remember the days when you were sweet sixteen and always caught in the blaze of someone else's dreams I'm goin' round and round (16x) I'm goin' round and round
