

# We All Fall Down

Aerosmith

When your heart is breakin'  
When your faith has been shaken  
When the road you're takin'  
Takes you nowhere at all

When it all, seems to all go wrong  
Remember, nobody can always be strong  
We all fall down...

I will catch you, never let you go  
I won't let you, go through it alone  
So don't feel left out, we all fall down  
We all fall down

When your dreams are shattered  
When you feel broken and battered  
When every step on the ladder  
Takes you nowhere but down

And you lose ground, like you can't hold on  
Remember, nobody can always be strong

We all fall down...

I will catch you, never let you go  
I won't let you, go through it alone  
So don't feel left out, we all fall.  
I will lift you, high above the rain  
I'll be with you, we all feel the pain  
So don't feel left out, we all fall down  
We all fall down

Everyone breaks  
You'll get hurt sometimes, in this life  
You fly so high, you crash and burn sometimes  
And I want you to know, you are not alone

We all fall down (we all fall down)

I will catch you, never let you go  
I won't let you, go through it alone  
So don't feel left out, we all fall.  
I will lift you, high above the rain  
I'll be with you, we all feel the pain  
So don't feel left out, we all fall down  
We all fall.

I will catch you.  
I wont' let you.  
So don't feel left out, we all fall down  
We all fall down
