

## Raven And Blood

Aeternus

high fathers - teaching knowledge - increasing wandering through  
lands listening - mysterious folk lore enchantment - through  
books desire - to learn the truth to seek the raven - and the  
blood travelling for many days i find the place - where the el  
ves hide elves of wisdom - knowledge of mystery i must seek the  
ir knowledge faith growing - deeply raven and blood - await me  
have i failed - is this folk lore time goes on - i have no long  
er guidance confusion within my mind i look up - and in the t  
ree i see and i see the land - covered with blood the raven fin  
ally - the eternity raven and blood - they came to me ...and  
the raven became my king [spoken] ...and the blood embraced me  
...and provided me with the strength of ...and entered my vein
