Aeternus

high fathers — teaching knowledge — increasing wandering through lands listening — mysterious folk lore—enchantment — through books desire — to learn the truth to seek the raven — and the blood travelling for many days—i find the place — where the elves hide elves of wisdom — knowledge of mystery i must seek the ir knowledge faith growing — deeply raven and blood — await me have i failed — is this folk lore time goes on — i have no long er guidance—confusion within my mind i look up — and in the tree i see and i see the land — covered with blood the raven fin ally — the eternity raven and blood — they came to me—...and the raven became my king [spoken] ...and the blood embraced me—...and provided me with the strength of ...and entered my vein s the god war ares
