

## Hey Cuz

Afghan Whigs

Hey cuz, hey cuz, hey cuz  
How you doing, how's it hanging  
Don't leave me hanging, I can't be  
I'm talking down to you now, and I said  
What's wrong, what's wrong, what's wrong  
Oh nothing's wrong, my lips are cracked I've been  
Smiling all day long  
My red eyes are shining  
Attention your blinding

Hey cuz, I'm holding  
Who wants to get high  
Come to you crawling  
Hey cuz can you cry, cry, cry

What's up, what's up, what's up  
What's up,  
Don't be holding out on me  
I come to you when you're sleeping tonight  
My red eyes are shot

Hey cuz, I'm holding  
Who wants to get high  
Come to me crawling  
Hey cuz can you cry, cry, cry

When I see your red eyes  
I go out of my mind

Not enough [x8]

Hey cuz, I'm calling  
Who wants to get high  
Come to me holding  
Hey cuz can you cry, cry, cry
