

## Uptown Again

Afghan Whigs

Uptown again  
Nobody home  
Feelin' surrounded  
Should never left me on my own

Remember nothing, hypnotize  
They say the eyes they never lie  
Your eyes have failed you dear, deny  
Deny, deny I know you'll try

Baby, untie me now  
I'm ready to get down  
Get down and move around  
Baby, you cry too much  
I'm tired of the sound  
You're such a baby

Uptown again  
Throw me a bone  
Feelin' surrounded  
I've never done so well alone

Baby, untie me now  
I'm ready to get down  
Get down and move around  
Baby, you cry too much  
I'm tired of the sound  
You're such a baby

Baby, baby, baby  
Baby, baby, baby  
Baby, baby, baby  
Baby, baby, baby

Baby, baby, baby  
Baby, baby, baby  
Baby, baby, baby  
Baby, baby
