

Bring your secrets to me.
Just give me your hands and I'll let you feel the wounds they put in
me.

If you believe in me, how can I be dissolving?
If you'd believe me, I'd tell you everything

Do you fall too? (Every time that I)
Yes I fall. (Every time that I)
Do you want to, (Try to pacify)
fall into me? (Fall into me, fall into me)

Silence, can you hear me?
Press me to your lips and I'll suck the poison out.
Who will heal me?

If you keep killing me, how can I keep absolving?
Your sins into me, begin the poisoning.

Do you fall too? (Every time that I)
Yes I fall. (Every time that I)
Do you want to, (Try to pacify)
Fall into me? (Fall into me, fall into me)

Time, time, time... We're not waiting
Time, time, time... We're no one...

Do you fall too? (Every time that I)
Yes I fall. (Every time that I)
Do you want to, (Try to pacify)
Fall into me? (Fall into me, fall into me)

Do you fall too? (Every time that I)
Yes I fall. (Every time that I)
Do you want to, (Try to pacify)
Fall into me? (Fall into me, fall into me)

We are no one...
We are no one...
We are one...
We are no one...
We are...

We are no one...
We are no one...
We are no one...
We are no one...
We are... (x 3)
