Coin Return

I have slipped and I have fallen, so far down I can't get out. Overwhelmed by my doubt. Things I said i'd never do i've done. Those I said i'd never be i've become. I have broken - i'm still breaking - cracked and wrecked, beyon d repair. I can see that no one cares. Forgotten. Recalled. Smacks me in the face every time I fall. I cannot disregard, with each new fall I hit twice as hard. Would you be there for me? I would. I would be there for you. I would. Would you look up to see? I would. Falling forward and looking up.
