

## Girl's Not Grey

AFI

I'll lay me down tonight  
Much further down  
Swim in the calm tonight  
This art does drown

(What follows) me as the whitest lace of light  
(Will swallow whole) just begs to be imbrued?  
(What follows) has lead me to this place  
where I belong, with all erased  
What follows

All insects sing tonight  
The coldest sound  
I'd send God's grace tonight  
Could it be found?

(What follows) me as the whitest lace of light  
(Will swallow whole) just begs to be imbrued?  
(What follows) has lead me to this place  
where I belong, with all erased

I'll lay me down tonight  
Much further down  
Watch stars go out tonight  
On sinking ground

I'll lay me down, I'll lay me down

(What follows) me as the whitest lace of light  
(Will swallow whole) just begs to be imbrued?  
(What follows) has lead me to this place  
where I belong, with all erased

What follows will swallow whole  
What follows will swallow whole
