Girl's Not Grey

I'll lay me down tonight Much further down Swim in the calm tonight This art does drown

(What follows) me as the whitest lace of light (Will swallow whole) just begs to be imbrued? (What follows) has lead me to this place where I belong, with all erased What follows

All insects sing tonight The coldest sound I'd send God's grace tonight Could it be found?

(What follows) me as the whitest lace of light (Will swallow whole) just begs to be imbrued? (What follows) has lead me to this place where I belong, with all erased

I'll lay me down tonight Much further down Watch stars go out tonight On sinking ground

I'll lay me down, I'll lay me down

(What follows) me as the whitest lace of light (Will swallow whole) just begs to be imbrued? (What follows) has lead me to this place where I belong, with all erased

What follows will swallow whole What follows will swallow whole
