## Let It Be Broke

I live in truth, complacently. Where's the threat you see in me? Am I the cause of your Self consciousness? You scream at me 'cause I can't ignore the destructiveness that you support, 'cause my life's contrary to yours. No soft words from my mouth. A glazed look in your eyes. I live in the world of reality, you comfort yourself with lies. I will release myself, I will detach myself (from you). I will detach myself from your kind. I've seen your life but I can't see how it is that you can be so content in your own ignorance. Its been so dark for so long now a new light has come along, illuminating all, so shut your eyes. No soft words from my mouth. A glazed look in your eyes. I live in the world of reality, you comfort yourself with lies. I will release myself, I will detach myself (from you). I will detach myself from your kind. I will release myself (from you) I will detach myself (from you) I will detach myself I will defy, will defy I won't tell you what you want to hear, I will show you what's real. what's real, what's real WHAT'S REAL! YEAH! I WILL, (WILL DEFY) I WILL, (WILL DEFY) I WILL, (WILL DEFY) WILL DEFY WILL...
