

Feel Alright

Afroman

Late at night
I feel alright
Bumpin' my music
Outta sight
Can't hide this wonderful
Feeling i'm feelin'
My system bumpin'
Cadillac three-wheelin'

High
'till the day i die
High
'till the day i die

Ye-eah, oww
Turn the music
Up real loud
Let the rhytm sooth your soul
Let the weed and beer take control

Gimme liquor
Gimme grass
Gimme your pussy
Gimme your "hey", oww

High
'till the day i die
oww
High
'till the day i die
hey
oh yeah
oww
