

I Wish You Would Roll a New Blunt

Afroman

I wish you would roll a new blunt
I wish you would roll a new blunt
I wish you would roll a new blunt
And pass me a beer

Good weed I bring like a cottonmouth king
So reach in the cooler and pass me a beer

I wish you would roll a new blunt
I wish you would roll a new blunt
I wish you would roll a new blunt
And pass me a beer

Good weed I bring like a cottonmouth king
So reach in the cooler and pass me a beer

I wish you would roll a new blunt
I wish you would roll a new blunt
I wish you would roll a new blunt
And pass me a beer

Good weed I bring like a cottonmouth king
So reach in the cooler and pass me a beer

I wish you would roll a new blunt
I wish you would roll a new blunt
I wish you would roll a new blunt
And pass me a beer

Good weed I bring like a cottonmouth king
Good weed for Christmas, so pass me a beer
