I Wish You Would Roll a New Blunt

Afroman

I wish you would roll a new blunt I wish you would roll a new blunt I wish you would roll a new blunt And pass me a beer

Good weed I bring like a cottonmouth king So reach in the cooler and pass me a beer

I wish you would roll a new blunt I wish you would roll a new blunt I wish you would roll a new blunt And pass me a beer

Good weed I bring like a cottonmouth king So reach in the cooler and pass me a beer

I wish you would roll a new blunt I wish you would roll a new blunt I wish you would roll a new blunt And pass me a beer

Good weed I bring like a cottonmouth king So reach in the cooler and pass me a beer

I wish you would roll a new blunt I wish you would roll a new blunt I wish you would roll a new blunt And pass me a beer

Good weed I bring like a cottonmouth king Good weed for Christmas, so pass me a beer
