Please take me back home To Mississippi  
Please take me back home To Mississippi

Before South Central, Palmdale flossin  
I stayed in a place called Palmer's Crossing  
Hattiesburg, Mississippi  
Smokin marijuana like a Woodstock hippy  
All my homies in Laurel  
Beg borrow  
Buy my rap tape tomorrow  
Tell DJ Pumpkin Keep it crunck an' Clyde  
Request my tape when you go inside  
So I can take Jane and girl  
To Waynesboro  
Fuck her homegirl thorough  
Make her toes curl  
Rock her world  
Leave with their Auntie Sheryl  
She sucks me sucks me  
Fucks me fucks me  
Cries every time I leave Biloxi  
But I hops in the Coup  
I gots to go  
Scoop another ho  
From Tupelo  
Hit it once hit it twice, then I hit it again  
Hit it in Meridian  
Make that bitch rub her clit again  
Pinch the nipples on her tit again  
Suck my dick until she spit again

Please take me back home To Mississippi  
Crooked letter crooked letter hump-back hump-back  
Afroman's the bomb, bump that  
Please take me back home To Mississippi  
From the delta to the coast  
I'm doin the most  
Grab your 40 ounce, let's toast.

I sold rock cocaine down in Ellisville  
Baseheads hit the pipe, they can tell it's real  
Kept my dope stashed with this hoochie  
Way down yonder in Eastabuchie  
Cops be sweatin outta town dog  
Sniffin my car with a hound dog  
Separate me from my bitch and shit  
Tryin to get my bitch to lie, snitch and shit  
Officer Roscoe P. Coltrane  
Runnin warrant checks on the Afroman  
But I can't be no hip hop star  
Cuffed in the back of some police car  
Did you find the gun? NO!  
Did you find the dope? NO!  
Open up the back door "Well son, you're free to go"  
A-F-R-O marijuana cargo  
Flossed like a cholow  
In a clean low glow

let's all get drunk tonight  
I hope I don't fight with a punk tonight  
Get nervous  
As I swerve this  
Cadillac through Purvis

Hope I don't crash when I hit Pedal  
Get my ass kicked in the white ghetto  
Prejudice police won't let me go  
Let the tint window camouflage my 'fro  
I was dumb, now I'm dumber y'all  
last summer y'all  
I fucked all the little girls down in Sumrall  
got a phone call from Nikki and June  
pickin' some shrooms down in Picayune, baby  
Just like a shovel I'm truly diggin  
All these pretty women that i meet in Wiggins  
On the boat  
Gulfport  
I got my dick down some girl's throat  
I can't help it Its a trip baby  
I think you need to wipe your lip baby  
Hula Hula Hula  
The whole house ruler  
What's up with all the bitches down in Pascagoula  
Small towns, small cities  
But they still got big ol' asses plus titties  
Is it a bird? Is it a plane?  
It's the hungry hustler Afroman  
Flyin through the air in my underwear  
Geri curl activator in my hair  
I'm in control like Janet when I hit Jackson  
Always gettin plenty panty action  
McClaine, even McComb  
Tell the whole world Mississippi's your home  
Yazoo, Columbia and Natchez  
I got the weed brother, who got the matches?  
Who got the funky DJ that scratches?  
Depend on me like my name was patches  
First it was a black thing, just the big Willies  
Now I roll Philllies  
With all the Hillbillies  
Never ever thought I'd see the Klu Klux Klan  
Buying front row seats for the Afroman  
Confederate flags tobacco in their mouth  
It's a beautiful thing jumpin off in the South  
Afroman, I'm a part of it  
Hattiesburg hip hop I'm the start of it  
I'm the latest  
I'm the greatest  
And all you haters, I'll mash you like potatoes  
I'll make your girlfriend holler and scream  
Then cook me some cornbread and collard greens

Please take me back home To Mississippi  
Crooked letter crooked letter hump-back hump-back  
Afroman's the bomb, bump that  
Please take me back home To Mississippi  
From the delta to the coast  
I'm doin the most  
Grab your 40 ounce, let's toast.

1982, '83, '84

Erin, Broste, Carlos, and Tonto  
Tryin to break dance in my B-Boy stance  
Micheal Jackson glove, parachute pants  
Calvin Gary, Garnett Jones  
G-dog cuz, I don't believe we grown  
But hey G-dog, you and me'll see dog  
Whatever happens cuz, it's you and me dog  
Or should I say loc  
Cause you my folk  
So let's take a toke  
Till we croak  
I'm a locsta locsta  
Hundred spokesta  
Drinking everyday like I'm supposed to  
Bottle after bottle dog in my lip-a  
Flowing on the mic like the Mississippi river

Please take me back home To Mississippi  
Crooked letter crooked letter hump-back hump-back  
Afroman's the bomb, bump that  
Please take me back home To Mississippi
