Afroman

All the fellas roll a fat blunt and  
smoke some green, smoke some green, smoke some (green)  
All the ladies rub on your cunt and  
smoke some green, smoke some green, smoke some (green)  
(2x)

Because I got high in this bitch  
You can't see my burgundy eye in this bitch  
T burg Mississippi p-dale in this bitch  
t-shirt, cds for sell in this bitch  
Inhale and get high, my my my  
You need to give beer and marijuana a try  
I ride thirteens and hit the three will switch  
I'm from Eastside Palmdale Cali, Biaatch  
Hungry Hustler records with the marijuana leaf  
Still pimpin' poor bitches even though we got beef  
Get an ounce, Get an ounce  
Now I'm about to smoke some green  
Flick my ashes, drink my glasses, and I keep my clothes  
clean  
Two or three hoes wanna pose with Afroman  
Marijuana, malt liquor, butt cheeks in my hand  
Real women groping me  
cheater haters scoping me  
Cops know I got some liquor plus I got some dope on me

All the fellas roll a fat blunt and  
smoke some green, smoke some green, smoke some (green)  
All the ladies rub on your cunt and  
smoke some green, smoke some green, smoke some (green)  
(2x)

First my head start ta spin then my beer cup falls  
Falls on all y'all. Oh shit ah nah

All them bitches bring me riches  
Put them riches in my britches  
Leave them bitches in some ditches  
Beers, blunts, bag of weed

I'm never on MTV, I'm never on BET  
I talk too much about W-EED  
Love me a sugar bear, great big derriere,  
Real long pretty hair, marijuana everywhere  
Ride cross country, smokin' in the country  
At the waffle house \*chicken\* I got the muchies

All the fellas roll a fat blunt and  
smoke some green, smoke some green, smoke some (green)  
All the ladies rub on your cunt and

smoke some green, smoke some green, smoke some (green)
