

Wonderful Tonite

Afroman

The more you drink the better I sound
Go to the bar and buy another round I feel wonderful
How many people feel wonderful tonight

She unfastens her bra strap
She slides off her underwear
The beautiful moonlite
Reflects on her pubic hair

I open her legs
Then slowly slide my tongue inside
And say darlin'
You taste wonderful tonight

She sucks on my dick head
She gradually licks my balls
She tickles my asshole
Cause this girl can do it all

I came so hard
I slowly lost my eyesight
And I said darlin'
You suck wonderful tonight

Hey get the phone man

Hello, what?
Eric Clapton ain't gonna clear it?
Tell em sue me this shit is tight
