

# Fight For Your Life

Afromental

Intro

Across fallen lands and seems  
For the infinity of time  
With the reflex with god  
You have to fight

Ref Fight is your time  
In the free world  
Come on  
Fight is your life  
You gotta make this wibe

Don't be a afraid  
In the situation  
When they stand to face your fade  
It does not perform attacking mind but a fight to fade you wis  
You gotta come now speed the fire of your heart eyy  
To see you rock the mind you'll bring me in high  
but you will lose yourself to your life !

Fight is your time  
In the free world  
Come on  
Fight is your life  
You gotta make this wibe

Each the everyone fasson  
It's the hero helping out  
find that hero in your heart  
use your power that you got inside  
you're not alone in a better field  
there are people you contract eyy  
You rocking mind you'll bring me high  
but you will lose yourself to your life !

Ref Fight is your time  
In the free world  
Come on  
Fight is your life  
You gotta make this wibe

Fight, fight, fight  
I'm cause your lipstick  
Original vis it  
I can use my vis quick  
A come make your limp like bizkit  
But that's win i 'll never miss it  
Get up stand up uhhh  
I feel i run it in rush  
I gotta but I thought  
I gotta like it ( like so fuckin much )  
I such i fall but i can se that ' s over over over over don't stop !
