

When your eyes looked at me
I didn't know what I'm about to see
Girl...Girl why don't you listen to R'n'B

She was a good girl from a good family
with a cute "baby face" and a smile of a Queen
She'd be my whole world, but she was missing one important thing
I couldn't understand isn't something wrong with me
or there was a missing puzzle in that baby Queen
She was perfect but I guess I could not be this Queen's King

I see my homeboy lookin' weird to me
He's wondering around like he's got no place to be
I try to help.
I try to talk with him, but I can't find the way to succeed
Suddenly he comes to me
tells me everything about his beauty Queen
Now I know what's goin' on with him
Hopefully that feeling will never hit in me

When your eyes looked at me
I didn't know what I'm about to see
Girl...Girl why don't you listen to R'n'B
