

Loves Been So Nice

After 7

Love's been so nice
Love's been so right
Love's been so nice
Love's been so right

I've been in love many times before
But never has my love ever been so sure
Girl I'm so glad, that you could care
So much for me
The girl is so bad, I can't believe
She belongs to me

Love's been so nice
Since you've been around
Love's been so right

Love's been so nice
Since you've been around
Love's been so right

I've been waiting for your love
But love has been over due
Well never did I dream girl
I'd find love so true
Girl I'm so glad, that I found you
you turn my gray skies blue
Girl I'm so glad, I can be with you
You are my dream come true

Love's been so nice
Since you've been around
Love's been so right

Love's been so nice
Since you've been around
Love's been so right

And I want you girl
And I need you darlin'
And I want
And I need
Got to have your love

Love's been so nice
Since you've been around
Love's been so right

Love's been so nice
Since you've been around
Love's been so right

Love's been so nice
Since you've been around
Love's been so right

Love's been so nice
Since you've been around

Love's been so right

Love's been so nice
Since you've been around
Love's been so right

Love's been so nice
Since you've been around
Love's been so right
Love's been so nice
