

## Equally Destructive

After Forever

Ground is shaking, waves are breaking  
The wind has lost control  
The air is shifting  
While it's lifting  
Force fools gravity

A huge eruption  
Vast explosions  
As it bursts the earth water's pounding  
Waves are sounding deadly and extreme

But we are equally destructive

Equally destructive as we are  
Don't you think we've also gone too far?  
We are just a part of this machine and its endless stream

Alarming silence  
Predicts the violence that is yet to come

We are senseless  
Proud while blindness is catching up with us

We must measure  
While the pressure of nature's force expands

We feel minor  
Punished and meager  
Betrayed by all our gods

We are a part of it, we are equally destructive

Equally destructive as we are  
Don't you think we've also gone too far?  
We are just a part of this machine and its endless stream
