

# Money Money Money

Afterworld

We planned to make this cover song long before  
This Abba boom that has been on recently.  
We felt that there was some hidden potential in this song  
And wanted to do our own version of it.

I work all night, I work all day  
To pay the pills I have to pay  
Ain't it sad?  
And still there never seems to be  
A single penny left for me  
That's too bad  
In my dreams I have a plan  
If I got me a wealthy man  
I wouldn't have to work at all  
I'd fool around and have a ball

Money, money, money  
Must be funny  
In the rich man's world  
Money, money, money  
Always sunny  
In the rich man's world  
All the things I could do  
If I had a little money  
It's a rich man's world  
It's a rich man's world

A man like that is hard to find  
But I can't get him off my mind  
Ain't it sad?  
And if it happens to be free  
I bet he wouldn't fancy me  
That's too bad  
So I must leave, I'll have to go  
To Las Vegas or Monaco  
And win a fortune in a game  
My life will never be the same
