

Drinking with the Jocks

Against Me!

I'm drinking with the jocks,
I'm laughing at the faggots,
just like one of the boys
swinging my dick in my hand.

All of my life, all of my life.
All of my life, all of my life.
Just like I was one of the them,
all of my life.
Just like I was one of the them.

Look at all them bitches, yeah,
I'm gonna fuck them all.
Look at all of the pussy, yeah,
fill them up with cum.

All of my life, all of my life.
All of my life, all of my life.
Wishing I was one of them,
all of my life.
Wishing I was one of them.

There will always be a difference
between me and you.
There will always be a difference
between me and you,
between me and you.

All of my life, all of my life.
All of my life, all of my life.
