

# From Her Lips to God's Ears (The Energizer)

**Against Me!**

Regime change under a Bush doctrine of democratic installations

.

Constant war for constant soldiers.

What are we gonna do now?

De-escalation, through military force.

Increase the pressure, Oh Condoleeza

What should we do about the situation in Iran and North Korea?

Condoleeza.

Democratic election under Marshall law.

An Iraqi president out of control of our choices.

After all this death and destruction

Do you really think your actions advocate freedom?

The presidents giving a speech in Georgetown

To remember the voice of a slain civil rights leader,

Do you understand what the martyrs stood for?

Oh Condoleeza do you get the fucking joke?

Condoleeza

Condoleeza

Condoleeza

What are we gonna do now?

Condoleeza

Condoleeza

Condoleeza

What are we gonna do now?
