

Hot Shots

Against Me!

Well the devil followed me to Gainesville,
I swore to him I was already dead!
"It's one million dollars, if you were to sell your soul?" He said..
I took the money and, no, I never looked back
I bought a house for my mother!
I paid for my children's education!

And, I swear by christ you'd do it too!
If you only had the chance!
If you only had the chance!
If you only had the chance!
If you only had the chance!

Ahhhh!

Do not regret my surrender.
My brother and I prayed for my soul
My arrogance and selfishness
I shall receive new judgement from all,
when, then the bell will toll,
And I will be face to face with my maker.
I will not fall to my knees!

And I swear by christ you'd do it too!
If you only had the chance!
If you only had the chance!
If you only had the chance!
If you only had the chance!
