

## Occult Enemies

### Against Me!

My soul feels invaded, like I was robbed, like I was cheated,  
I'm not taking moral high ground,  
You think time isn't your enemy as well?  
Watch out for occult enemies,  
You better believe they're coming for you

I'd be a fool to believe you & I'll be goddamned before I concede the  
Point,  
Yeah, you've got some fucking ego,  
You think time isn't your enemy as well?  
Watch out for occult enemies,  
You better believe they're coming for you

I can't be the only one sharpening knives and loading guns,  
To the advantage of no one, I hope you get all you deserve  
Watch out for occult enemies,  
You better believe they're coming for you
