

## Rebecca

## Against Me!

I woke up next to you in bed  
Already thinking when can I see you again  
I swear I won't come on so strong  
I can be gone when you want me to be gone  
I can come when you want me to come  
I can come when you want me to come

Rebecca, Rebecca, Rebecca

I don't want to stand here next to you  
And pretend there's something I don't want to do  
When I just want to grab you by the skull  
Rebecca, kiss me, but let's not fall in love  
I don't want to stand here next to you  
And pretend there's something I don't want to do  
When I just want to grab you by the skull  
Rebecca, kiss me, let's not fall in love

And if I had known the address  
I would have taken a cab instead  
I had to run just to make it in time, to leave again  
You don't have to forget to move on  
Maybe just a good couple casual fucks  
Maybe just a good couple casual fucks

Rebecca, Rebecca, Rebecca

I don't want to stand here next to you  
And pretend there's something I don't want to do  
When I just want to grab you by the skull  
Rebecca, kiss me, but let's not fall in love  
I don't want to stand here next to you  
And pretend there's something I don't want to do  
When I just want to grab you by the skull  
Rebecca, kiss me, let's not fall in love

Want you to hit me like a bus  
And then I'll get right the fuck back up  
Step out in front of the next coming one

Rebecca, Rebecca, Rebecca

I don't care if you can't stay  
I know it never really works that way  
We don't have to fall in love  
We can just have fun

Rebecca, Rebecca, Rebecca

I don't want to stand here next to you  
And pretend there's something I don't want to do  
When I just want to grab you by the skull  
Rebecca, kiss me, let's not fall in love  
I don't want to stand here next to you  
And pretend there's something I don't want to do  
When I just want to grab you by the skull  
Rebecca, kiss me, let's not fall in love

No, I don't want to fall in love with you
