

Soul Surrender

Against Me!

There's gonna be flashing lights, then you're gonna make a phone call home.

Can you come down here and bail me out?

They say there's a bottom,

it feels like you can forever just keep on falling

Over and over into the same gutter, face down.

And you'll never own anything in this world!

You'll never find and honest days work!

They can take away your home!

They can sue you for everything you own!

But you don't have to surrender your soul!

You'll find no sympathy,

sympathy for acting like a child,

after making decisions like you were a man.

And you'll have to keep swinging.

OR you'll have to put your own self forth.

Patch up the holes in your pants and

wake up by tomorrow morning!

And you'll never own anything in this world!

You'll never find and honest days work!

They can take away your home!

They can sue you for everything you own!

But you don't have to surrender your soul!

No you don't have to surrender your soul! (soul)

Don't surrender your soul!...(soul)
