

Comeback Kid

Against the Current

You got this subtle kind of way of making everything turn grey
Like a bottle that runs dry before you've even had a drink
Do you think what you do just might fix the bad in you?
Well, you're wrong this time around

And oh, oh, oh, oh, you know you gave me something to believe in
Oh, oh, oh, oh, you hide behind these battle lines

I'm gonna be a comeback kid
And I want to find the words I need to say
Yeah, I'm gonna survive with my head held high
And finally walk away
I'm gonna be a comeback kid
And I want to be the one that's not afraid
To jump from every sinking ship 'cause I'm done
Waiting to be saved

You got this subtle kind of way about you that pulls me under but I won't
own
It's gonna take a whole lot more than that to ever bring me down
I promise that I'll be back and I'll be better than before
What you broke down I'll build back up, 'cause I don't need you anymore

And oh, oh, oh, oh, you know you gave me something to believe in
Oh, oh, oh, oh, you hide behind these battle lines
And oh, oh, oh, oh, you know you gave me something to believe in
Oh, oh, oh, oh, you hide behind these battle lines

I'm gonna be a comeback kid
And I want to find the words I need to say
Yeah, I'm gonna survive with my head held high
And finally walk away
I'm gonna be a comeback kid
And I want to be the one that's not afraid
To jump from every sinking ship 'cause I'm done
Waiting to be saved
