

# Running with the Wild Things

## Against the Current

Oo-oooh  
Ooo-ooo-oh, ooo-ooo-oh  
Oo-oooh  
Ooo-ooo-oh, ooo-ooo-oh

Oo they don't hear us  
Read us bedtime stories from their textbooks  
Oo try to reign us in  
Blind to our intelligence

Standardization of the masses  
Give us a number fail or pass us  
Education, manipulation  
Decide our fate but never ask us

We're about to boil over  
You can't keep us down forever

We got too big for the cage you locked us up in  
Let's mark this down as the day that we started something  
So open the gate, open the gate cause when we  
Finally escape, finally escape we'll be  
Tearin' through the streets  
Running with the wild things

Oo-oooh  
Ooo-ooo-oh, ooo-ooo-oh  
Oo-oooh  
Ooo-ooo-oh, ooo-ooo-oh

Hey, why you waitin'?  
Quit carvin' notches to count the days 'cause  
They're losing power  
See 'em growing weaker by the hour

We're about to boil over  
You can't keep us down forever

We got too big for the cage you locked us up in  
Let's mark this down as the day that we started something  
So open the gate, open the gate cause when we  
Finally escape, finally escape we'll be  
Tearin' through the streets  
Running with the wild things

Oo-oooh  
Ooo-ooo-oh, ooo-ooo-oh  
Oo-oooh  
Ooo-ooo-oh, ooo-ooo-oh
