

Christianity Means Tyranny

Agathocles

Did you even realise
That millions of people
Had to die
For Christianity?

All those people found their death
Accused of witchcraft or charged with heresy
And still they tell that Jesus loves people
But why so many bloodshed of innocent people?

And that stupid Pope
He exploits poor, innocent people
Why don't they admit
Christianity means tyranny?

All those people found their death
Accused of witchcraft or charged with heresy
And still they tell that Jesus loves people
But why so many bloodshed of innocent people?
