

Cool Fools

Agathocles

On gigs, they're cutting their fucking arms
To a loser-crew they wanna belong

Pain, pain, pain - for what gain?
Pain, pain, pain - you loose again

Self-mutilation, yeah, that's really tough
Just go ahead and fuck yourself up

Pain, pain, pain - for what gain?
Pain, pain, pain - you loose again

If attention is what you need
I just love to see a loser bleed
