Empty Frame

Agathocles

Tough macho hardcore clan, values gone, macho men accepted by this so-called scene but it's just and empty frame trading creativity for safe conformity expensive fucking tatoos, uniforms and shoes nothing really matters, only the social ladder climbing as high as they can, mister hardcore is back again where has the social awareness gone? it used to be fucking strong it has been fucking killed, new school is dumb

Not daring to speak out - scared of stepping on toes but hardcore ain't about - a popularity pole so act and react - and bring the spirit back make hardcore a threat again - to the business mem
