

## Failure?

Agathocles

Anger, hate, pain, life?  
why must I - suffer?

Lost all vital essence to fight,  
as I stare into the void,  
I cling to a fading thought,  
of what was once my life,

Socially - rejected,  
economically - unwanted  
bureaucratically - erased,  
the scorn of - humanity

Failure?  
Who am I?
