

## Hippie Cult

Agathocles

Hippie cult - what a joke  
Suck your joints, I hope you'll choke  
Love and peace,  
(seems to be) hash and weed,  
rebellious minds,  
comformists of another kind,  
Hippie cult - what a joke  
Suck your joints, I hope you'll choke  
Change the globe?  
with hash and dope?  
Boss of tommorow,  
Hippie of today.
