

Intro / Cash Will Do the Job

Agathocles

The power of industry gets it all done
the power of industry gets it all done
stinking factories near little towns
the power of industry gets it all done
illegal permission, illegal allowance
the power of industry gets it all done
the power of industry fucks little men
Marx was right on this one
the power of industry gets it all done
the power of industry gets it all done
will demonstrations change anything?
the power of industry gets it all done
as the money of industries are silencing
the power of industry gets it all done
the power of industry fucks little men
Marx was right on this one
